**AJL-NYMA**

March 23, 2018

Dear AJL-NYMA members,

This year's AJL Convention will take place June 18-20, 2016, in Boston, MA and all are encouraged to partake in what promises to be a thought provoking conference.

AJL-NYMA will be offering limited stipends to help NYMA members defray the cost of attending. Only those who are paid-up members of both AJL national and NYMA are eligible. A sub-committee of the NYMA Executive Board will select the convention subsidy winners.

If you would like to be considered, please fill out the questionnaire on page 2 below. It must be emailed to [rina.krautwirth@yu.edu](mailto:rina.krautwirth@yu.edu), [bkatz@flatbush.org](mailto:bkatz@flatbush.org) or [incohen@jtsa.edu](mailto:incohen@jtsa.edu) by April 3, 2018. Stipend recipients will be expected to be involved in AJL-NYMA programming, planning and related activities.

Anyone who receives the stipend and does not attend the convention for any reason is responsible for notifying NYMA immediately and repaying the amount in full. Our first priority is to extend funding to those who have no other sources of financial assistance.

Please note that national AJL also offers stipends the conference, and their deadline is March 29. National AJL is taking into consideration chapter stipends when it awards its stipends. NYMA recipients are expected to inform national AJL of their NYMA awards, and national AJL will reduce their awards accordingly.

We hope that this stipend will assist some of our members to attend the AJL Annual Convention. This annual event provides excellent learning and networking opportunities which are beneficial to all.

Sincerely yours,

Rina Krautwirth
